EXPERIENCE:

4/05 to **University of New Hampshire Police Department**

Present 18 Waterworks Rd., Durham, NH 03824

Detective

Master Patrol Officer

Police Officer

Assigned to the Investigative Services Division (ISD) where my responsibilities encompass all investigative departmental tasks. This would include, but not limited to follow-ups, self-initiated investigations and undercover operations. Collateral duties are serving as the department's intelligence officer and as an Intelligence Liaison Officer to the NH Information and Analysis Center. Historic duties included compiling and collecting intelligence on threats and threat groups as well as producing bi-weekly product for the department. Furthermore, I currently serve as the department's primary instructor in firearms, defensive tactics, combatives and less lethal munitions. I also served as a member of the Strafford County Regional Tactical Operations Unit S.W.A.T. Team from 2007-2013, as an operator, instructor and assistant team leader. I have participated in numerous dignitary protection details as an operator, close protection agent and team leader for several heads of state and high profile visiting dignitaries.

4/03 to **Boston and Maine Railroad Police Department**

4/06 Iron Horse Park, North Billerica, MA 01862

Lieutenant / Special Operations and Training

Commander of the Special Operations Unit, responsibilities included supervision of all investigations and undercover operations, high-risk service calls, intelligence-gathering, dignitary and classified shipment movement protection. I also served as the Department's Training Officer, handling all of the training needs of the agency, and the Team Leader for the executive protection team. I was the point of contact liaison to outside agencies and assigned to the Anti-Terrorism Advisory Council in MA, NH, and ME.

8/00 to **Babson College Police Department**

4/03 3 Sullivan Roadway, Babson Park Wellesley, MA 02457

Police Officer

I was assigned to the patrol division where I was responsible for general police duties on a day-to-day basis. I held Community Policing assignments such as a Rape Aggressive Defense Instructor (RAD) and a Mountain Bike Officer. A secondary role included my serving as the Department's Training Officer. Furthermore, I scheduled the training, and instructed classes for the agency. I also handled the coordination of the Field Training Officer Program and as well as policy development and review.

**11/96 to
8/00**

Massachusetts Department of Mental Health (DMH) Police Department

165 Quincy St., Brockton, MA 02402

**Sergeant
Patrolman**

I was assigned to the DMH Southeastern Area Office where my primary duty was the supervision of a 21-officer unit, encompassing five separate facilities. As the training officer, I coordinated and scheduled the training for the officers of the southeastern area. Other responsibilities included acting as Supervisor of the Selective Enforcement Team and Apprehension Unit member dealing with severely mentally ill and violent clientele that have escaped.

**4/94 to
11/96**

Harbor Point Police Department

40 Westwind Court, Dorchester, MA 02125

**Investigator
Police Officer**

As an investigator I was assigned to the Investigative Service Unit (ISU) and in my position I handled follow-up and self-initiated investigations. I conducted background investigations on all potential police applicants; additionally I was tasked with the gang and narcotic intelligence gathering. I served as a liaison officer for the Boston Police Youth Violence Strike Force (YVSF). My operational experience included inter-agency joint ventures such as Proactive Warrant Service (PAWS), Operation Night Light, and Operation Clean Harbors.
